TOGETHER WE CREATE

MAGICAL.

---

## OUR WORK

Nestled in the heart of the countryside, Tolethorpe Youth Drama is a magical, creative and stimulating place, where children and young people are trained in and exposed to all aspects of Acting, Drama and Theatre-Making.

Inspiration and imagination is at the heart of all our work. As a centre of excellence, our classes, workshops and performances are crafted by professionally-trained, outstanding teachers and practitioners.

Our students are challenged to think, question and grow as creative, confident and successful individuals and to take ownership of and pride in the exciting work they create together.

TOGETHER WE CREATE

# INNOVATION.

---

## OUR CLASSES

We offer a full, immersive, year-long programme of weekly classes and workshops, catering for 5 to 18-year-olds. Acting skills, technique and stagecraft are introduced and developed in fun and engaging weekly sessions. Strong group dynamics are established early and students of all ages are united through a shared love of theatre, the power of stories and how they are told.

Weekly classes are complemented throughout the year with specialist workshops, master-classes and events led by visiting industry practitioners, in areas such as Stage-Combat, Singing, Physical Theatre, Dance, Shakespeare and TV & Film.

“ Every class is new and exciting...”

# INSPIRATIONAL TEACHING.

---

Our teachers bring to TYD a background in the professional industry, a wealth of knowledge and extensive experience in their craft. They have a love of teaching and working with young people, combined with a passion and skill for making inspirational theatre.

# UNIQUE.

## OUR STAGE

Opportunities to share work are carefully woven into the year. Students have the chance to stage performances of the highest standards in a variety of theatres and settings.

TYD is an integral part of the renowned Stamford Shakespeare Company and benefits greatly from its association with the company and its outstanding facilities on our doorstep, including the stunning Rutland Open Air Theatre.

In addition to performance opportunities offered at TYD, students have the chance to audition for the Stamford Shakespeare Company's annual season of productions every summer.

“Young people’s theatre is a land not a building, it is the land of imagination and emotions set in the empire of dreams.”
